Subject: Lands: N.Kanara
F.S.Nos. ...Disforestment of, for
Rehabilitation of flood affected persons...

Sir,

In submitting herewith 4 files regarding disforestment of certain forest lands in 4 different villages of Kumta taluka for rehabilitating the flood affected persons, I have to state as under:

2) The Special Officer for Rehabilitation, Kumta, has submitted proposals for disforestment of the forest areas shown below for laying out residential plots for the rehabilitation of the flood affected persons:

S.No.	Village	F.S.Nos.	Areas proposed for disforestment. A.G. A.G.A.
1.	Karkimakki	63A	12-00 (including 6-25-0 already disforested by the Dy.Commissioner).
2.	Madangeri	198	7-1-0(including 0-10-0 already disforested by the Dy.Commissioner).
3.	Botkuli	44A1A	6-20-0
4.	Divgi	96A 112	4-10-0 2-20-0.

3) The areas proposed for disforestment have been approved by the District Health Officer,Kanara, from sanitary point of view (vide sketches in each file). The District Health Officer,Kanara, has,however, suggested to shift the tanning place in S.No.199B which is situated very near to F.S.No.198 of Madangeri proposed for lay out. Action to shift the tanning place to some other area is being taken separately. So also, an area of 0-10-0(A.G.A.) in F.S.No.198 of Madangeri was already disforested for being assigned as burial ground. Since lay out of plots has been proposed in the said S.No., action to cancel the assignment and to shift the burial ground to F.S.No.199A is being taken separately.

4) The Divisional Forest Officer, S.D., Honavar, and the Conservator of Forests have no objection to release the areas from forestry point of view. Out of the 6 cases referred to by the Divisional Forest Officer in his letter dated 14-3-62(page 33 of file IV), the areas proposed for disforestment in 4 cases are in excess of 5-0-0(A.G.A.), the disforestment of which is beyond the competence of the Deputy Commissioner according to the orders contained in the G.R.,A.& F.D.No.FDM 1054 of 28-1-1955. These cases are ,therefore, submitted to Government for passing orders of disforestment. In the remaining 2 cases (Hiregutti and Kallabbe) the areas involved being less than 5-0-0(A.G.A.), I have passed orders as they are within my competence.

5) In the case of F.S.No.63A of Karkimakki, orders disforesting the area of 6-25-9(A.G.As.) for lay out of residential plots had been passed by the Deputy Commissioner through oversight. So, disforestment of 12-0-0(A.G.A.) (including the area of 6-25-9(A.G.A.) already disforested) in F.S.No. 63A has been proposed now.

I would, therefore, request you kindly to obtain early orders of Government according sanction to the disforestment of the areas proposed above.

Yours faithfully,

O.C. Signed by the
Deputy Commissioner,
